

Serlby Park Academy Sport Premium Report 2016-2017

In 2016/2017 Serlby Park Academy will receive the fourth year instalment of PE funding. The funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competitions and aim for sporting excellence. A Specialist PE teacher leads PE curriculum and oversees the planning and delivery of PE throughout the Primary phase.

Having already seen impact of the funding from the previous 3 years we expect for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Participation by students and staff in whole school audits has resulted in the development of After Schools Clubs and purchase of equipment to enhance delivery of lessons. Thorough auditing and monitoring has meant that the children have had a role in developing sport and therefore has contributed to increased participation.

Amount of Primary School Sports Grant Received	
Primary School Sports Grant Lump Sum	£9,420
Total Number of pupils on roll	297

Sports Premium Funding Action Plan for 2016-2017

Objective	What are we going to do?	How are we going to do it?
Physical Education To increase the number of children that are able to swim, starting in Year 2	To deliver swimming lessons to all children in Years 2 (funding for Year 3 and 4 comes out of the school budget)	Instructors are employed through Nottinghamshire School Swimming to deliver 30 minute weekly lessons
Competitive School Sport increase participation levels in extracurricular sport	To continue and extend the opportunities for competitive and non-competitive sport with other local schools and academies	Children are encouraged to benefit from competitive sporting activities. This enables them to represent their school work as a team and also enjoy individual success based on hard work and aiming high PE lead to organise tournaments to link with skills being taught in classes
Maintain the amount of extra-curricular activities available to children across Key stage 1 and 2	To give children the opportunity to take part in additional Physical Education during lunch times and after school	To employ coaches from Activ8 to run 5x1hour lunch time activity clubs To employ coaches from DRFC to deliver 2x1hour after school football camps

Sports Premium Expenditure Report for 2015-2016
