

19 March 2020

Dear Parents and Carers

### **Coronavirus (COVID-19)**

#### **Identified vulnerable groups**

You will be aware of the government announcement that schools will close from the evening of Friday 20<sup>th</sup> March until further notice. Some schools will remain open to provide a child care service to care for the most vulnerable children and the children of key workers.

We will not be providing a normal school day but will be offering more limited supervised activities, subject to staff availability. Our records indicate that your child may be eligible to attend the academy (unless they are self-isolating).

As this is not a normal school day, your child does not have attend. However, if you would like your child to access this child care provision, the school will operate normal hours from Monday 23 March. Please note these arrangements may change.

Yours sincerely

**Head of Academy/Principal**
