

Home Learning Pack

Years 1 and 2

Week 3 –Viewpoints

Weekly Reading Tasks (aim to do one per day)	Weekly Maths Tasks (aim to do one per day)
<ul style="list-style-type: none"> • Daily phonics- your child should practice all of the sounds on the sound mats each day and practice reading words containing these sounds. Visit this site for lots of fun games and activities. https://www.phonicsplay.co.uk/ • Read a variety of books at home. Your child could share a book everyday. This can be reading a book aloud everyday or sharing a book with an adult. • Snuggle up together and read and re-read your favourite books. • Listen to the traditional story ' Jack and the Beanstalk'. • Find a set of instructions for planting a seed or a bean. Read the instructions out aloud. Can you follow the instructions and plant a seed? Remember to keep watering it! • Read a non-fiction book • Read an article from a newspaper or magazine to an adult. 	<ul style="list-style-type: none"> • Working on Numbots - your child will have an individual login to access this. • Play on 'The Mental Maths Train Game' - practise adding and subtracting. • Play on Hit the Button - number bonds, halves, doubles and times tables. https://www.topmarks.co.uk/maths-games/hit-the-button • Recognise the place value for numbers up to 99 • Create a card game that is based around making number pairs to twenty that can then be played as a family. • Identify shapes and finish patterns Can any of these shapes be found around the house? How many of each shape can be found? • Write the numbers 20 - 50 in words and digits • Practise counting in 2s, 5s and 10s.

Weekly Phonics/ Spelling Tasks (aim to do one per day)

- Encourage your child to say the sounds in the word that they are trying to spell and 'catch' these on their fingers before writing them down.
- Spell common exception words for either Y1 or Y2 (See home learning packs)
- Spell the days of the week: Keep a diary of things you do in the week.
- Please also have a go at some of the activities on the sites below:

<https://spellingframe.co.uk/>

<https://www.phonicsplay.co.uk/>

<https://www.topmarks.co.uk/english-games/5-7-years/words-and-spelling>

Weekly Writing Tasks (aim to do one per day)

- Ask your child to Imagine that they live in the opposite house. What would they see? Write sentences using a variety of suffixes - ing and adjectives.
- Write your address: Discuss with your child. Do they know who delivers the post? Share a letter with them and explore the envelope from the front and back. Can they see any numbers on the front or back of the envelope? What do they mean? Who is the letter addressed to? Ask your child to write their address on the envelope. Discuss the postcode and any capital letters?
- Well known addresses: Discuss with your child any well-known addresses of book characters/famous people/historical figures they may know? e.g. 10 Downing Street, The Post Office, Isle of Struay Katie Morag.
- Write a letter to the Queen and post it.

Learning project for this week: My Local Area

The project this week aims to provide opportunities for your child to learn more about the area in which they live. Learning may focus on your local area, famous people, key landmarks and links to your city.

- **To develop knowledge of the location of significant places:** Ask your child to look at where they live. What can they see outside the window in the front of their house? At the back of their house? What could they find near them? Find a map and see if they can find Hull. Do they know the name of their street? Can they create a street sign with their street name?
- **My address:** Support your child to find out your address. Can they find the number on your door? Can they write the number in digits and words?. Ask them to try writing the number using crayons and paint. Can they write a postcard or letter to a teacher at school? They could tell their teacher about where they live and things about their local area.
- **My house:** Discuss with your child what their house looks like inside and outside? How many bedrooms does it have? Who has the biggest bedroom? Who has the smallest? Ask them to look outside their window and see if they can spot a house different to their own. Can they draw their house? How many windows at the front? How many windows at the back? Do you have one door or two? In a special bag - could you (with adult support) place things that make it your home? Why would you pick those items? Draw a picture of your street . Support your child to take a look at the street and buildings around where they live. Encourage them to think about the shape of the buildings.

- **Shape hunt** : Take your child on a shape hunt around their house and garden. Look at the different shapes of the windows, doors, and houses. Can they name them? Are they 2D or 3D shapes?
- Ask them to create a picture of their house or street.
- **Name the shape:** Place some 2D or 3D shapes into a bag and play the game 'Can you name the shape?' You will need a partner to play this game. One partner has a shape from the shape bag and they stand back to back. The partner with the shape describes it to their partner who has to try and draw it. How many do you know?
- **Find your house on 'Google maps'** Search for your house on the street? Can you find UK, Hull
- **Compass** : Make a compass. Do you know what the different compass points mean? Can you label the points?
- **Create a passport:** create an individual passport to show your own information about where you live. Discuss the use of a Passport. What is a passport? What information does it contain? What does a passport allow you to do? Can you find a real life passport? Do you have one?
- **Flag:** Look at the British flag. Have a go at drawing it. Can you design your own flag for your local area? What could you add? What would they mean to you?
- **Design a cottage** - Compare how a cottage is different to your house. Can you make a model of your house and a cottage?
- **Create a song about 'Where you live'** - Can you add your address in your song?
- Can you find the UK on the map? Can you name the countries? Why do you think the Countries begin with a capital letter?

Additional Learning resources that you may wish to engage with:

- Classroom Secrets Learning Packs - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.
- Twinkl - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.
- Pobble 365- A great website that gives children a thought provoking image each day. It also suggests a number of writing related activities for children to complete.
- Oxford Owl- A large selection of online E books for children to read.
